APRIL 2019

HOW TO OPEN THE DOOR AT CODOBE

1. Download KISI Inc app.
2. Set up KISI with the same email you used to sign up for or book a room at Codobe. (There will be some basic configuration to go through. You do not need to have NFC or location turned on to access Codobe)
3. Receive access email within 15 minutes of schedule booking time (or 15 minutes after buying a block of time)
4. Open door at Codobe by logging into your KISI smart phone app and clicking on Codobe. Then swipe the lock to the right and pull the door handle. (You will want to do this quickly as it only stays unlocked for 3 seconds.)
